

# OUTLAWS RETURNING TO THE OZARK EMPIRE FAIR IN 2016

OZARK EMPIRE FAIR

The OTTPA (Outlaw Truck & Tractor Pulling Association) has teamed up with the Ozark Empire Fair in Springfield, Missouri to bring an Outlaw event back to the 2016 fair. Outlaws were at the fair for 7 years from 2003 till 2009 and the last three years filled the grandstands as the largest grandstand attraction at the Ozark Empire Fair. OTTPA CEO, Doug Roberts from Carthage, MO says it is great to back at this great fair with an Outlaw event. This is the third largest city in Missouri and a nice fit on the 2016 OTTPA "Thunder in the Dirt" Summer Tour. The Summer Tour consists of 61 cities and towns mainly in the Midwest and the Ozark Empire Fair will now be one of the stops. Outlaws is look forward to filling the grandstands up again and new this year will be the big 12 x 16 foot big screen bringing the fans action and results. Set your date for August 4th to see this big event as Outlaws brings four big classes to the fair. The Pro Stock 4x4 Trucks, Limited Pro Stock Tractors, Diesel 4WD Trucks and the big Pro Stock Tractors. Doug goes on to state that we might add the Light Super Stock Tractors also for the 2016 event.
