

OUTLAWS RETURNING TO THE CLAY COUNTY FAIR IN 2016

The OTTPA (Outlaw Truck & Tractor Pulling Association) has teamed up with the Clay County Fair in Spencer, Iowa to bring an Outlaw event back to the 2016 fair. Outlaws was at the fair for 11 years from 2000 till 2010 and drew big crowds to the grandstand. OTTPA CEO, Doug Roberts from Carthage, MO says it is great to be back at this great county fair with an Outlaw event. The Clay County Fair is known as the “World’s Greatest County Fair” and this is for a reason as last year’s attendance topped 330,000. This is a nice fit on the 2016 OTTPA “Thunder in the Dirt” Summer Tour. The Summer Tour consist of 61 cities and towns mainly in the Midwest and the Clay County Fair will now be one of the stops. This event will be the 5th stop in the Championship Round of the OTTPA “Pull-off for the Championship” that will decide the 2016 Outlaw Champions as they compete for over \$250,000 in awards. This is a 5 year agreement and Outlaws is looking forward to filling the grandstands up again. New this year will be the big 12 x 16 foot big screen bringing the fans action and results. Set your date for September 15th to see this big event as Outlaws brings 11 big classes to the fair. This is going to be a great show as the fans are in for some great action and new this year the afternoon and evening shows will be completely different classes.
